Ngā mihi mahana ki a koutou katoa

Thank you very much for all the generous donations pledged so far for our Marae stay over! Things are beginning to take shape and we are all looking forward to the event!

If you still have time or food to donate – please feel free – we are most thankful.

I would like to remind you of the meeting we have planned with parents of our school at the Marae. We are meeting to hear the ideas around writing a whakapapa for Hukerenui School and the more thoughts and knowledge we can share about our school and area the better the outcome will be. From this information, we will compile a basic history and with the help of an expert have, a design drawn up that depicts the words we chose. We would appreciate everyone's contribution to this.

Wattie Cooper will bring an expert to this meeting to help us with the basics. We are planning for this meeting to happen after lunch on Wednesday afternoon. We do need help to run our workshops too – so it may be that some parents help and some are at the meeting – and maybe swap places during the afternoon to cover all our bases.

We have been very lucky with the weather this far and hopefully it keeps going until our winter sports day at Maromaku.

Thank you to the PTA for being so pro-active in their fundraising with fun efforts! The disco was a fun event and our students were so excited for it to happen. Thank you for your efforts and commitment to make our school a great place!

Rooms 6 and 7 are having heat pumps installed as we speak! Very exciting to have these two spaces made more comfortable for our students.

The playground installation is going very well. We are waiting for the last stage to be installed next week and hopefully it will be all done and ready to go. I believe we are the only school in the north that will have this piece of equipment!

We welcome Ms Nicola Thompson to our staff. Ms Thompson will be working as a teacher's aide in Room 4. Thank you Nicola for being willing to start at such short notice – we hope you will be very happy here!

A huge thank you to all our teachers who are working many late hours to get all the assessments, reports and on top of that lots of extra writing and maths preparation done to support achievement for our students. They are an incredible team – our school is lucky to have such dedicated high performing professionals!

Thank You

Bastienne Kruger
Principal
