Ngā mihi mahana ki a koutou katoa

It was with great anticipation that Room 1's students took off to camp on Wednesday morning! The weather has luckily cleared up and I am sure they are having a great time at Lonsdale Park. A big thank you to all the parents for their help and especially to Mrs Cutforth and Kylie Rogers for the hard work in preparing everything for this special trip!

Country Calendar will be filming here on Monday afternoon in Room 1. They were interested in seeing how the students turn their alpaca fibre into useable products. Thank you very much to Mrs Prem Jordan for stepping in and preparing the materials and lessons for that day. If there is anyone in Room 1 who doesn't want their child to be filmed, please let us know.

On Tuesday morning they will be filming the Maize harvest at school, some work with Room 3 at Evan's farm, the harvest there and then back to school for filming Room 3 students talking about the financial aspects of growing and selling the maize to Evan.

We do not know when this story will be ready for screening but will let you know when we are informed.

Our chess club is going really well. Thank you very much to Marilyn Stafford who diligently comes to run this club at lunch time every Tuesday!

Our Agrikids are now registered to compete! We have 4 teams! Ryan Barnes, Aaron Harrison, Paddy McSweeney, Blake Smeath, George Williams, Jack Williams, TJ Going, Caleb Pepper, Harrison Dempster, Isla Purvis, Kaia Stevens and Shiloh Robb – we wish you luck for the competition.

Thanks again to J Horsford for the fantastic effort to get them trained and ready. The competition is on Saturday 18 March from 8am in Whangarei at Kamo High School. Please go and watch them if you can.

Please do not forget about the working bee on Saturday 25 March. We really need help with fencing and tidying the lavender up. We will attach the working bee form again. Please complete it and send to the office so we know how many to cater for.

Just a reminder: Please label your children's clothes. We have once again have heaps of clothes here at school. If you happened to have some hand me downs – please change the name as the children do not recognise those names.

Thank You

Bastienne Kruger
Principal

Bus Changes

If your child is not catching their normal bus home for whatever reason, please send a note or call the office before 2pm. This causes a lot of disruption at the end of the day when children suddenly remember they have other plans as the buses are unable to leave until the plans are confirmed with parents/caregivers. The school procedure is that we will put the children on the bus unless we hear from the parents.

Headlice

Please keep checking your children for signs of headlice as it is still lurking.
