

PERMISION FOR AKERAMA MARAE TRIP AND STAY

Dear parents/ caregivers

Thank you to those who have returned their forms indicating how you can support us at the Marae. Could we please ask that you now complete the attached permission form and any other information that may not have been in the first form as we have included some extra information. Our School is visiting Akerama Marae to develop our knowledge of Maori cultural values, protocols, history and arts. We would like to thank the people of Akerama Marae for their willingness to host us and the trouble they are going to in order to help us with our learning and stay. A special thank you to Wattie Cooper and Maggie for their help to get this exciting event organised. Please help us with donations and help where you can – we really cannot do this huge sleep over without your support 😊

- **Very important: Each child must have their own morning tea, packed lunch and drink bottle for Wednesday.**
- **They must have shoes to wear to Ruapekapeka Pa.**
- **They must wear their school uniform for the powhiri.**

There are a few things to organise yet:

Transport:

- Please indicate on the form whether you would be able to transport students to and from the marae; or whether you would take your own child.
- We will leave at 9.00 on Wednesday morning and return at 2pm on Thursday afternoon.
- Room 4 and 5 students are not sleeping over. Please collect you child after dinner – at 6.30pm from Akerama Marae on Wednesday evening 5 July.
- Room 4 and 5 students will go to school as per normal the following day.
- If you are able to transport, please complete the attached form to verify your vehicle and driver's licence is up to date.

Help with the workshops:

We need at least 2 parents per activity so we have enough help to support our students achieve the goal. Please see whether you are able to put your name down for one of these:

- Helping senior students prepare vegetables for the hangi - after powhiri
- Workshop 1: Stick games
- Workshop 2: Design - koru
- Workshop 3: Kapa Haka
- Workshop 4: Cultural games
- Workshop 5: Weaving a wristband
- Day 1: Juniors to be taken to Ruapekapeka Pa where an expert will tell them all about the history
- Day 2: Seniors to be taken to Ruapekapeka Pa where an expert will tell them all about the history
- Day 2: Yr 3+4 - planting workshop with Soozee at Akerama Marae

Help in the kitchen

As always we would not be able to go on camp if we don't have some "camp mothers and fathers"! If you did not put down your name for helping at the workshops we would really appreciate you considering helping in the kitchen. There is always so much to do and often the most fun happens in the kitchen!

- Day 1: Afternoon tea
- Dinner (Hangi) - dishing up and tidying up
- Hot drink + supper

- Day 2: Breakfast
- Morning tea
- Help organise cut lunch

Precaution:

- If your child is allergic to anything, or need medication of any sort, please discuss with your classroom teacher and make sure you give it in their hands on the day.
- No student with any sleep-over anxiety / bed wetting issues / dependant on support for bathing, dressing, etc. should stay over at night. We would advise to please take them home in the evening and drop them back on Friday morning. It is all too traumatic but we would not like them to miss out by not attending at all. These are formal school days so everyone is expected to attend.
- Please make sure we have your correct contact and medical details. This is very important as we don't want to struggle to find you in the event of a mishap.
- In the event of you coming to help/stay over: We understand that the need to bring along a sibling is often necessary if you want to attend but we do ask from you to please keep them operating within the boundaries of the rest of the school's camp rules (use of equipment, eating of lollies, etc.). Please do not read this as a message not to attend with them – we love the little ones – just asking to please take the work we need to get through in consideration.

We have an afternoon and evening timeslot for our parents to get together with the help of Wattie Cooper to help us brainstorm and write a Whakapapa for Hukerenui School. This will also provide information for a design for our entrance way to Room 7 that we would like to use as our meeting house at school. We would appreciate your help very much - please indicate on our form whether you could make yourself available for this.

Please complete the permission slip and indications for help and send back to school **on Monday 2 March or at the latest, Wednesday 4 March.**

Kind regards,

Bastienne Kruger
Principal

GEAR LIST
