

Help our school
PTA raise money
without you
spending a cent.
You have the power!

“Too good to be true, I hear you say? Well it’s not! We now pay \$90 a year less and the School gets \$105 each year!”

Carol Head

Here’s how it works:

We all must buy our electricity from somewhere. When you buy your electricity from Community Power you get to donate a share of the profits they make from your account to the School PTA fundraising account.

You never pay any more, and may even pay less like I am. The funds raised for the School come from Community Power’s profits, not your pocket.

Every bit helps

If 50 families like us switch to Community Power we would raise \$5,000+ a year, over 5 years that’s \$25,000+. So, if it won’t cost you anything will you help us?

How to get a quote:

To find out how much your donation would be and if there are any savings for you as well, simply email a copy of a recent electricity bill to:

support@communitypower.co.nz

or you can do this online at:

communitypower.co.nz/hukerenui

FAQ's

How you receive and use your electricity remains the same.

If you receive a Northpower dividend you will continue to receive this.

If you receive a prompt payment discount you will still receive this.

We will advise you on each bill how much your donation has been from this bill and how much has been donated since you joined.

Remember, Every bit helps!

Thank you.

Andrea Purvis – Hukerenui PTA.

POWER**

A division of Plus Energy Limited, PO Box 334/28, Sunnybrook Auckland 0742

Disclaimer: Some major retailers offer certain customers (mostly their new customers or when they are trying to save a customer from switching away) a really, low rate. We will endeavour to match all rates however we do reserve the right to not switch your supply to Community Power if doing so would mean we would not have the profitability to share with the charity, community group, school, club, society or individual of your choice.
