Ngā mihi mahana ki a koutou katoa

The children are certainly enjoying the pool in this warmer weather! We are so lucky to have such a great resource and to have swimming coaching from Swim for Life on Tuesdays!

We are very happy to let you know that J Horsford has started coaching a group of interested students to participate in Agrikids! He has taken on a huge task and we thank him for giving his time every week to come out and do this. He will coach students every Monday after lunch. Thank you also for sourcing sponsorships for this from last year already J.

Ursula is really excited to start a netball team and we are in great anticipation of who will arrive for the Netball rally today here at school. Everyone who wants to join needs to be there!

We understand that high school students leave on a bus before our buses arrive but please do not drop your children at school before 8am.

Thank you very much Rob Reid for tidying and cleaning out the sheds! That is such a big job that nobody ever seems to have time for!

A warm welcome goes to Stephen Watkins. Stephen will be working 8 hours per week doing a variety of caretaking jobs.

We are planning a little ceremony for the completion of the mosaic work around our swimming pool. These were done by Mrs Walker and the students of the school during terms 3+4 last year.

Our Year 5+ 6 students are very excited about their upcoming camp. Thank you Mrs Cutforth for all the time and effort you have put in to organise this exciting event!

Mrs Jordan has been teaching Ms Baldwin how to operate the Library System as she is taking over the running of the Library from her. Thank you for being willing to take on board this job Ms Baldwin! The library leaders are already getting organised to do some exciting displays in the library.

Thank you so much Angie Dadson for helping us so much in the library at the end of last year! Angie just quietly came in and fixed and covered books for ages!

Also a big thank you to Jacqui Kehoe for offering your voluntary support again this year! Jacqui has already done lots of photocopying for us and will also be helping in the Resource room filing and coding books!

Honey! Thanks to Stacey Ruddell and her husband our bees survived the winter and very dry summer and they also organised for the bee club to extract our honey! It has been brought in today and once the students have bottled it we will let you know when it is up for sale!

Our Swimming Sports is on Friday at 10am next week – all children will participate, please come and support them. Our PTA will be selling sausages, ice blocks & home baking. Please make sure they have their togs, towel, hat, sunblock & warm jersey. We need parent helpers to do timekeeping and lane judging, please contact us if you can help – without your help we will struggle to run this event.

Thank You

Bastienne Kruger
Principal

Upcoming Dates:

February	
16 th	Netball registrations 3pm
27 th	Life Education Trust program
24 th	Swimming Sports
28 th	Zones Swimming Sports Y4-8

Weetbix Tryathlon

If you would like your child to participate in this event in April for our school team, please register on the website as soon as possible. <https://tryathlon.co.nz/>

House Wanted

We have a family at school looking for a three bedroom house in Hukerenui. Please contact Renee on 0220205232 if you can help.

Mid Northern Hockey Rally

The rally to register for a team will be held on Tuesday, 28th February. All interested players should attend. Please bring along a stick for a fun game.
