Ngā mihi mahana ki a koutou katoa

We have reached the end of term 1. 11 weeks and with so many wonderful things that has happened.

It is so exciting to be part of planning the new nature playground. Thank you so much Ursula, Rochelle and Mrs Hanley for your continuous enthusiasm and willingness to work so hard to make this happen. Mr. Murray Cutforth is donating rocks from his farm and funding the transport of them. This will happen during the 2nd week of the holidays so if you see big rocks on the fringes of the rugby field – these are part of the creation of our nature playground! This is so exciting and if there is anyone who wants to help us – please come forward! Mrs Tessa Foster is designing the planting and landscaping of the nature playground – and that is a massive task. Thank you so much Tessa!

Thank you to Rochelle Weston-Arnold for taking on the task of applying for funds for our Sir Hillary Outdoor Pursuit trip in September. The year 7 + 8 students are lucky you have done this for them!

We appreciate the attendance of all parents to our parent/teacher interviews on Wednesday. We hope it helped you understand how your child/ren are doing academically and socially and that together, we can help build our students to achieve to their best ability.

The school pool will close tomorrow for the season, please return your key to the office for your \$15 bond refund. Thank you again to Rob Reid for your willingness to handle our pool every season. You are amazing and the whole community owes you a big thank you as without your dedication we won't be able to keep it open.

Thank You

Bastienne Kruger
Principal

Upcoming Dates:

April	
13 th	End of Term 1
18 th	Fundraiser - Movie Night
30 th	Term 2 begins
