Ngā mihi mahana ki a koutou katoa

It was great to see all the happy faces back after a wonderful Easter break! We have a short week before we hit the weekend again and then we have the last week of school. Many things are happening then, which includes our special parent/teacher catch up day.

Please make sure you ring the office to book in a time with Helen to get your preferred time. We would love to see all our parents, as it is so important to be collaborative when we are planning children's pathways and wellbeing at school.

We are beginning to sell our casino night tickets. In 2015 we had a fabulous night and hope to see you all there again this year. This year it is held in the Hukerenui Community Hall. The Rotary club runs it superbly! For your ticket, you get \$1,500 funny money to play with! There will be eats and a cash bar with great auction items and spot prizes too!

Please support us, and get some of your friends to buy tickets too. \$25 per ticket buys you an evening of awesome fun.

It was great seeing two of our junior classes go on a class trip to Kiwi House today and the large amount of willing parent helpers about. Thank you so much! As you know – we rely heavily upon your support to make these days happen for our students!

We have a student teacher here for 10 days! She is working in Mrs Jones' class. Welcome to Hukerenui School Miss Taylor Ball. We hope you enjoy your time here.

Thank You

Bastienne Kruger
Principal
